**NEW MEXICO OFFICE OF THE STATE ENGINEER  
APPLICATION FOR PERMIT FOR LIVESTOCK WATER IMPOUNDMENT  
IN ACCORDANCE WITH SECTION 72-9-3 NEW MEXICO STATUTES**

**INSTRUCTIONS**

1. The application shall be made in the name of the actual user of the livestock water impoundment for the purpose specified in the application.
2. The application shall be forwarded with a \$10.00 filing fee to the New Mexico Office of the State Engineer.
3. A separate application must be filed for each livestock water impoundment to be constructed or used.
4. If the livestock water impoundment is located on state or federal land, proof of the following must be included as part of the application: (a) applicant is legally entitled to place his or her livestock on the land where the livestock water impoundment is to be located, (b) applicant has been granted access to the impoundment site and has permission to occupy the portion of the land as is necessary to construct and use the livestock water impoundment.
5. Application for livestock water impoundment, statement of completion and requests for information in the following basins should be addressed to the New Mexico Office of the State Engineer at the location indicated.
